John,

Mod 1 to the Dimock TO is attached. We are adding \$45,000; revising the SOW to include delivering the water; and correcting the Site ID in the line of accounting on the TO. Since we are revising the scope, you need to print 2 copies of the mod, sign both, email me a copy and mail the 2 originals to me. I'd like to have it back by Friday, so you can get started on the work.

If you have any questions, give me a call.

Thanks,

Lorrie Murray
